SELECTED PROJECTS

NOOK *Mobility · Zoox × Autodesk Corporate Sponsored Project · Revit* — Spring Show 2026
- Designed the cabin interior and an 8-material CMF palette for an autonomous micro-mobility pod for 1–2 riders.
- Served as interior architect on a three-person team with an industrial designer and a UX/UI designer.

Vallejo Residence *Residential · IAD 310 · Revit* — Pacific Heights, San Francisco
- Redesigned the main living spaces and master suite of a 1904 four-story home for a multigenerational family.
- Converted the lower level into an ADA-compliant Section 8 apartment, informed by an affordable-housing case study.

Living Harvest *Commercial · IAD 340 · Revit* — Mission Bay, San Francisco
- Designed a 7,600 sq ft biophilic farm-to-table restaurant with an urban farm, demo kitchen and rooftop garden.

National Geographic West Coast HQ *Mixed-Use · IAD 440 · Revit* — Presidio, San Francisco
- Developed “The Horizon’s Edge” concept for two 6,600 sq ft floors, from site, climate and precedent research to plans.
- Produced furniture and lighting plans with ADA clearances, egress, fire-rated walls and plumbing fixture counts.

Technical Coursework *ARH 239 · ARH 240* — 2024–2025
- Drew a bus shelter construction-document set and site, ramp, stair and parking plans for an Alamo Square cafe.

EXPERIENCE

Pilates Instructor — Jan 2026 – Present
- Give clear, individualized cues that guide clients through proper form, supporting wellness and injury prevention.
- Build a welcoming, supportive environment that encourages client consistency and progress.

Logistics, Supply and Armor Specialist **U.S. ARMY** — May 2015 – Nov 2020
- **Inventory tracking:** Created and maintained Excel reports, stock records and supporting documents.
- **Stock control:** Received, inspected, stored and issued supplies with full property accountability and stock control.
- **Accountability:** Kept weapons and ammunition mission-ready through precise issuance, receipt and record keeping.

Front of House Staff **ZAXBY'S RESTAURANT** — Aug 2014 – May 2015
- Processed transactions and resolved guest concerns in a high-volume setting with accuracy and efficiency.
- Supported management with inventory control and stock ordering.
